WHY ENGAGE A HOST?

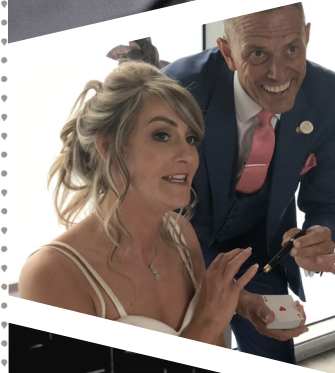

"Why do we need a wedding host or a Master of Ceremonies?" I hear you ask. Well, for an event that's been in the making for so long, can you afford to leave everything to chance on the big day itself, without one person leading it for you? You need to enjoy your day, not manage it and certainly not worry about it.

CREATING MEMORIES

Your day is about making memories. Turn your minds back to the last wedding you went to. Do you remember the flowers? What about the favours? The table decorations? How about the food? I guess you do remember the atmosphere: the fun, the event, the enjoyment, the people you were with and those special moments with the happy couple. Those experiences are created by great organisation and planning. But on the day, there has to be that one person to bring it all together, and who better than a professional who can host AND entertain – a Magical Master of Ceremonies. Which is where I come in.

YOUR OWN MASTER OF CEREMONIES

As your personal Master of Ceremonies and Master Magician I'm the ultimate solution to ensure your big day is managed to perfection, your guests are looked after, and everyone is entertained. I'll support you, your family and friends throughout, so your day runs perfectly and is one never to be forgotten. Introducing each part of your day I'll make all the important announcements; get everyone in the right place at the right time, as well as entertain your guests. But this is what I do at its simplest; there is so much more.

A MAGICIAN AND HOST IN ONE

As your red-carpet host, I'm a contemporary twist to the traditional toastmaster role by combining my unique blend of style, fun, and charm to guide each stage of your special day as your own Master of Ceremonies. By combining with my mesmerizing magic and mind-reading, you can relax and trust me to create a warm, inviting atmosphere that unites your guests while providing captivating entertainment and unforgettable moments.

BRINGING ENERGY AND ENTERTAINMENT

You've carefully crafted every detail of your special day. Now, add that unforgettable touch. As I perform for your guests, their reactions will offer countless opportunities for extraordinary photographs, as they laugh, gasp and watch on in amazement. Together, we'll create memories that last a lifetime, as my magic elevates the enjoyment of everyone present and adds an extra special dimension.

IT'S ALL ABOUT YOU

Your wedding day is a unique occasion filled with moments you'll treasure forever. My wedding packages include dedicated time for pre-planning to ensure every detail is tailored to your vision and for the full and half day packages my personal oversight in stage managing your day, as your personal Master of Ceremonies. The only step left is for you to choose the package that best suits your day.

"He performed at our wedding recently, and the guests are still talking about him!"

AMELIA

SO, WHO AM I?

As a professional magician, experienced speaker, host and emcee, entertaining people is what I do. I'm a Member of The Magic Circle (an Associate on the Inner Magic Circle with Silver Star) and a Member of the Professional Master of Ceremonies Association amongst other affiliations. I've hosted and performed at countless events: weddings, parties, barbeques, private functions, corporate events, festivals - even the Royal Variety Performance after show party and the Sky Garden in London to name a few!

I've been to many weddings and have held all the positions on the top table (apart from the bride and mother-in-law!). I have performed magic, organised weddings, made speeches, and even played in bands at weddings (including playing at my own!). They are simply amazing occasions and are my favourite place to perform.

It would be my pleasure to work with you at yours and help you turn the event you are planning into the occasion you have dreamed of.
